Relief Residential Workers

£11.70 per hour plus enhanced rate evening/weekends

Nansen Highland provides care and training for young adults with learning disabilities in a small residential setting. Experience in care, SVQ2 or 3 would be preferable, although not essential as training will be provided. A clean driving licence, patience and a sense of humour, is vital. A rota system is in operation, requiring evening, weekend and sleepover shift cover. Relief posts are on an “as required” basis. All posts are subject to an enhanced disclosure check. Application form and further information available from [www.nansenhigland.co.uk](http://www.nansenhigland.co.uk) or Tel: 01463 871255.
